100% Green Technology

# ARCOR® Epoxy Coatings

## At the Top of the Molecular Chain

ARCOR® Epoxy has the expertise and technology to provide the industrial coatings that will protect any structure from corrosion, abrasion, weathering and chemical abuse, including acids and caustics. ARCOR® Epoxy products apply faster, minimizing downtime, and our technicians are capable of applying coatings to any industrial project.

**Arcor® Designs, Manufactures, Applies and Warrantees Since 1982**
